NCSSSA Annual Conference and Training Needs Assessment

Several National Conference of State Social Security Administrators (NCSSSA) Committees (Program, Networking Sessions, and Training & Succession Planning) have joined together to develop a survey to help us better perform our responsibilities for NCSSSA members this conference year (2014-2015) by identifying members' needs and preferences. Thus, these committees prepared a survey to get input from the entire NCSSSA membership so we can try to meet member needs and expectations as much as possible both during the 2015 Annual Conference (scheduled for July 26-29, 2015, in Seattle, Washington) as well as during the conference year through our regional and tele-training program.

You can access the survey via the following link: <https://www.surveymonkey.com/s/727QKTH>.

PLEASE COMPLETE THE SURVEY BY 5:00 PM (Eastern time), SEPTEMBER 29, 2014.

NOTE: The survey system now allows people to re-enter the survey (from the same computer), even after they select "done" at the end. Thus, if you complete the survey and think of something else you want to include in your comments or changes you want to make to earlier responses, feel free to update your survey on-line any time prior to the above deadline.

If you have any questions, please feel free to contact Maryann Motza, Program Committee Chair, at 303-318-8061 or maryann.motza@state.co.us.

Thank you, in advance, for your help.
