

2015-16 ACT/FSLG Local Government Entity Survey

The Federal, State, and Local Governments (FSLG) Subcommittee of the IRS Advisory Committee on Tax Exempt and Government Entities (ACT) is a public forum for discussion of FSLG issues. The FSLG ACT Subcommittee provides FSLG regular input on administrative policy and procedures of Tax Exempt/Government Entities (TEGE). FSLG's ACT Subcommittee has three members, who are not employees of the IRS, which represent interested public observations about current or proposed FSLG policies, programs and procedures as well as suggest improvements through an annual report.

In preparation for this year's ACT report, the Subcommittee has requested the assistance of Local Government Agencies in completing a survey to determine how FSLG outreach efforts can be improved given limited resources. This survey will help provide data for their analysis of opinions on IRS' topics of interest to local government entities and will be critical to their report.

This survey is available at <https://www.surveymonkey.com/r/ACTFSLG2016> until 5:00pm ET, December 31, 2015. We ask that you please complete this survey to help the FSLG ACT Subcommittee determine ways in which the IRS outreach to State and Local Governments Agencies can be improved.

If you have any questions about this survey, please contact one of the members below.

Thank you for your assistance.
