NATIONAL CONFERENCE OF STATE SOCIAL SECURITY ADMINISTRATORS Annual Conference Host State Interest Form

The Time & Place Committee is seeking state administrators to host the NCSSSA Annual Conference for 2017.

The Committee encourages each administrator to consider hosting these important national meetings. The host state administrator duties are relatively straight forward and require minimal effort such as coordinating registration bag items to be held until the conference date for ease in shipping; recommending or evaluating hotel sites, making recommendations to the Networking Sessions Committee for events, etc. The Host Administrator is an essential participant in making our annual meeting a success.

The NCSSSA Annual Conference is held in September. Historically, this conference begins on Sunday and runs through Wednesday.

We ask all states to please consider hosting a future NCSSSA Annual Conference. You may address questions concerning the process or host state duties to any member of the Committee.

NCSSSA 2015 Time & Place Committee Members: Ron Carlson (NE), Madison Davis (AK), Mary Griffin (TN), Beth Dillon (MO), Danielle Huffine (IA), TJ Reardon (MD) and Meghann Butler (MT).

Please send an email to mbutler@mt.gov indicating interest for hosting the 2017 NCSSSA Conference, by November 19, 2014.

Thank you for your consideration.
